For every £1 donated by UK Taxpayers we can receive an extra 25p. Just make sure your donors provide their full name and home address including postcode and tick the Gift Aid box. It's that simple. For details please see statement below.\*

\* By ticking the Gift Aid box, I confirm I am a UK taxpayer and would like Prostate Cancer UK to claim back the tax on this donation and all donations I have made for the four years prior to this date, and all donations I make from the date of this declaration until I notify you otherwise. I understand that if I pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all my donations in that tax year it is my responsibility to pay any difference.

If the charity is not contributing to the cost of your fundraising event, we urge all of your family, friends and supporters to make their donations eligible for Gift Aid (if they are UK Tax Payers). If the charity is contributing to the cost of your fundraising event (e.g. paying for your entry fee, travel or accommodation) then donations made by you, your spouse or partner, or your relatives and their spouses or partners, will not be eligible for Gift Aid. We're also unable to claim Gift Aid on donations from companies controlled by yourself, or by connected persons. These people should not attempt to make their donations eligible for Gift Aid by ticking the Gift Aid box on sponsor forms, or giving permission for an online sponsorship site to claim it on their behalf. For more info on this take a look at the HMRC's guidelines on adventure fundraising events.

\*\* The details you provide will be kept on our database. We'd like to share personal stories, updates on our fight against prostate cancer, and other opportunities to support men. If you would prefer that we didn't contact you, please tick here
